

I would like to express my concern that K-LOVE radio could lose its translator to a LPFM broadcaster. K-LOVE provides quality, family-friendly programing which promotes wholesome values. It is one of the few radio stations that I feel comfortable listening to with my family and friends. It always has uplifting music and positive messages for the whole community. Please allow K-LOVE to keep its translator so that its family oriented, positive and uplifting message may continue for years to come.

Thanks you for allowing me to voice my opinion.
